

Supplemental Environmental Projects (SEP) The RC&D program in Texas helps administer projects and funds for companies that choose to contribute enforcement fines from TCEQ toward environmental projects.

General information about SEP <http://www.tceq.state.tx.us/legal/sep/info.html>

Statewide approved projects for RC&D SEPs

- Plugging Abandoned Water Wells
- Wastewater Treatment Assistance
- Abandoned Tire Cleanup
- Clean-Up of Unauthorized Trash Dumps
- Household Waste Cleanup
- Pulling Underground Storage Tanks
- Antifreeze Recycling Facilities

Currently the High Plains RC&D has active projects in the following counties:

Hutchinson County	Unauthorized Trash Dump Cleanup
Hutchinson County	Wastewater Treatment Assistance
Oldham County	Unauthorized Trash Dump Cleanup

For more information about how High Plains RC&D can help administer an SEP in your county, please call the RC&D office in Friona at (806) 250-2020.
